

A dark, atmospheric photograph of a bar. In the foreground, a red cocktail in a glass with a lime garnish sits on a metal tray. Next to it is a metal jigger and a whole lime. In the background, a shaker and other barware are visible. The background is a dark wall with intricate, light-colored scrollwork patterns.

INTRODUCING

BARFLY[®]
— MIXOLOGY GEAR —

COCKTAILS AREN'T CONCOCTED.
THEY'RE CRAFTED.
AND CRAFTSPEOPLE NEED THEIR TOOLS.

Barfly Mixology Gear by Mercer is for the professional with an unwavering commitment to the art of the cocktail.

Our barware essentials and accessories are designed to deliver optimal appearance, temperature, consistency and proportion in every glass—with masterful results.

Tools make the taste. We invite you to browse our full line of mixology gear to see how Mercer raises the bar.

Bar Shakers

A staple of every mixologist, these shakers are made with precision to fit together perfectly and release easily.

- > Satin finish interior to hide wear.
- > Heavy-gauge 18-8 stainless steel to maintain shape.
- > Mirror finish for an elegant appearance.
- > Capped bottom for greater durability.

Our business comes from modest beginnings on Mercer Street in New York City in 1968 and was founded on the principles of delivering quality products, exceptional service and consistent value. For over 30 years we have strived to meet these goals every single day.

The foodservice industry is built on relationships. Integrity, character, and dependability are still valued and remain essential traits for all of our employees. Our growth has been exceptional these past 8 years, but that does not happen without you.

We thank you for your willingness to embrace our new products, working together to build new markets, and communicating about your needs. The future will bring continued growth and we are excited to share more new products, ideas, and challenges over the coming months.

Mercer is a dedicated supplier to the professional foodservice industry, with a staff committed to stay true to its roots in support of end-users, dealers, and distributors.
