GENERAL SALES CONDITIONS

Art. 1 – Premise – Unless otherwise agreed in writing between the parties, all sales of SPIDOCOOK products are regulated by the following general conditions of sale. These terms are an integral part of the contract and are deemed to be accepted by the Purchaser even if they have not been signed by the Purchaser. Any clause unilaterally specified by the Purchaser in the documents he has signed and/or in his correspondence, which may be against or in addition to the following standard terms or the special terms expressly approved in writing by the Seller, shall be deemed nonexistent and void.

Art. 2 – Execution of Sales, Quantity and Prices. – SPIDOCOOK delivers to the Purchaser under Ex Work conditions as per ICC INCOTERMS 2020 the equipment manufactured by the Company. The Purchaser undertakes to distribute the equipment manufactured by SPIDOCOOK within the Territory assigned and to provide installation and after-sales service to its customers at its sole cost. Agreed prices are deemed to be ex works and are not inclusive of any accessory charges or services rendered (such as VAT, packing, transport, installation and/or assembly charges, etc.).

Art. 3 – Delivery, risk transfer and transport – The goods are consigned to the Purchaser at the Seller's plant/warehouse and the risk is transferred upon consignment of the goods to the first carrier. The goods travel at the Purchaser's sole risk even when the carrier has been chosen and instructed by the Seller. The Seller's responsibility ceases upon delivery of the products to the carrier. This delivery shall be considered in every respect as carried out by the Purchaser himself. Unless otherwise expressly set forth in writing by the parties, all freight, express, delivery, demurrage and insurance charges, customs duties, tariffs and sales, use, excise, property, value-added or ad valorem taxes, and other applicable taxes and charges are the responsibility of Purchaser.

Art. 4 - Limited Warranty - (i) SPIDOCOOK warrants that the Products shall, for a period that terminates on the latest of (a) twelve (12) months commencing on the date on which SPIDOCOOK issues an invoice to Purchaser for the Products and if, and only if, such Products are unaltered and unmodified by Purchaser or any third party other than by SPIDOCOOK's authorized service representative and are properly installed and used as set forth in SPIDOCOOK's specifications and instructions of use, be in material compliance with the Documentation. Without limitation to the foregoing, if SPIDOCOOK determines in its sole discretion that the Product is not in material compliance with the Documentation during the term of the Limited Warranty, SPIDOCOOK, at its sole option, shall either (a) provide Spare Parts to Dealer, at SPIDOCOOK's sole cost under CPT as per ICC INCOTERMS 2020 conditions, to replace the defective parts, provided that such replacement within the Product shall be performed by a service representative authorized by SPIDOCOOK, or (b) provide a new equivalent Product to replace the Product which is not in compliance with the Documentation in its entirety, provided that new equivalent Product is supplied by SPIDOCOOK at SPIDOCOOK's sole cost under CPT as per ICC INCOTERMS 2020 conditions, or (c) refund the purchase price paid by the Purchaser for such Product

(ii) Within the period of validity of Limited Warranty, if SPIDOCOOK determines in its sole discretion that the Product is not in material compliance with the Documentation during the term of the Limited Warranty, Purchaser shall provide, at its sole costs, all the labor required to (a) replace the defective parts, or (b) replace the Product which is not in compliance with the Documentation with a new equivalent Product.

(iii) For the avoidance of doubt, the Limited Warranty shall not include any damage resulting from, in connection with or arising out of: (a) transport of the Product, (b) installation of the Product not in accordance with the specifications and instructions contained in the Documentation, (c) improper use or maintenance of the Product, (d) intervention or modification by a service representative not authorized by SPIDOCOOK, (e) the location of the Product , overvoltage, or inadequate voltage, current or gas supply, (f) cases in which replacement or parts other than original SPIDOCOOK parts are used, regardless of whether the damage or defects result therefrom and (g) use of detergents and other cleaning agents or preservative agents other than those expressly approved by SPIDOCOOK have been used.

Normal wear and tear to items such as Springs, Glass ceramic plates (mechanical and impact damages), Knobs, Supply cable (mechanical damage), Thermostat (impact damage), lamps, gaskets, seals, probes, door handles, ancillary and consumable parts etc., as well as damage to glassware and other ancillary parts are excluded from the Warranty.

(iv) Limited Warranty shall only be effective if Purchaser (a) provides SPIDOCOOK with prompt notice of any claim to be made under the Warranty by completing a RMA Form (which is available under the warranty section of the infonet.SPIDOCOOK.com website) and submitting it on the infonet.SPIDOCOOK.com website or by email and (b) upon SPIDOCOOK's request, ships the defective Product to a service location authorized by SPIDOCOOK, or to SPIDOCOOK itself, at Purchaser's sole cost.

v) NO OTHER WARRANTIES. THE FOREGOING LIMITED WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES AND GUARANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY, WARRANTY OF HIDDEN DEFECTS, AND WARRANTY OF FITNESS FOR A PARTICULAR USE (EVEN IF INFORMED OF SUCH USE).

Art. 5 - Limitation of Liability - Except where this exclusion or restriction of liability would be void or ineffective under applicable law, in no event shall SPIDOCOOK be liable for indirect, special, incidental or consequential damages (including lost profits or savings) whether based on contract, tort or any other legal theory (including product liability and responsibility for defective goods) even if Purchaser has been advised of the possibility of such damages. Subject to the foregoing exceptions, in no event shall SPIDOCOOK's or its suppliers' liability under this agreement exceed the amount paid by Purchaser for the product and the services giving rise to the claim. Notwithstanding anything to the contrary in this agreement, in the case where no amount was paid, SPIDOCOOK shall have no liability for any damages whatsoever.

Art. 6 – Trademarks – Purchaser shall not use any trademark of company in any manner whatsoever, including in connection with advertising, promotional activities or otherwise, without the prior written approval of company. Purchaser shall not remove, modify, deface or replace any of company's trademarks which appear on, are affixed to or are used in connection with, the products purchased from company or any related labels or tags, or use any other mark in connection with such goods or materials, without the prior written approval of company. Any and all trademarks of company, including any and all goodwill relating thereto or resulting therefrom, are and shall remain at all times the sole and exclusive property of company.

Art. 7 – Applicable Law and Jurisdiction - The Terms and Conditions shall be governed by, and construed in accordance with Italian law, excluding (a) any conflicts of law rules or principles that might refer the governance or construction of the Terms and Conditions to the laws of any jurisdiction other than the Italian Republic, and (b) the provisions of the 1980 United Nations Convention on Contracts for the International Sale of Goods. The District Court Padova shall have exclusive jurisdiction over any matter or dispute resulting from or arising out of the execution, performance, interpretation, breach or termination of the Terms and Conditions. To the full extent permitted by applicable law, Purchaser hereby irrevocably waives all its rights to INTERPOSE CLAIMS OR setoffs of any kind and description in any litigation arising hereunder.

Art. 8 – Excuses for Non-Delivery and Non-Performance - Delivery of all or any part of Company's Product and Services is contingent upon Company's ability to obtain goods, supplies and materials through its regular and usual sources of supply. If by reason of existing or future legislation or rules, regulations or orders, heretofore or hereafter promulgated by governmental authorities allocating, limiting, curtailing or otherwise regulating supply, use, availability, production, delivery or distribution of goods, supplies or raw or other materials, or in the event of acts of Purchaser or acts of God including, in particular, acts of fire, flood, tornado, hurricane or other acts of God, war, terror, casualty, accident, embargo, government action, market collapse, strike or lock-out, or other difficulties with employees, delay or inability to obtain labor, material, machinery and services through Company's usual sources, delay by carrier, or any cause or causes beyond Company's control causing failure to deliver or delay of any delivery or curtailment in production or shipment, Company shall not be liable therefor and may in its sole discretion, without notice to Purchaser, at any time and from time-to-time, postpone the delivery dates under any contract, make partial delivery or cancel all or any portion of any contracts with Purchaser. If during the occurrence of any of the foregoing contingencies, Company holds any of the Products herein sold, Company may invoice the Product and hold it for the account of Purchaser.
